

ENVIRONMENTAL TRAINING SERVICES

BMT Cordah Limited

BMT Cordah has over twenty years' experience providing environmental training services to industry, governments and development agencies. Our courses are flexible and can be tailored to meet our clients' specific requirements, thus ensuring that delegates receive the most appropriate training for their needs.

BMT Cordah uses experienced practitioners, primarily BMT Cordah staff, to deliver its programmes. This ensures that delegates benefit from the practical and up-to-date knowledge and skills that our trainers have gained from many years' experience of providing consultancy services. Our courses can be delivered in-house or at agreed venues (either in the UK or worldwide).

Training Courses

BMT Cordah offers a variety of short specialist training courses, including:

- Environmental Awareness
- Environmental Impact Assessment
- Environmental Management and Sustainable Development
- Health, Safety, Environmental and Quality Management Systems
- Environmental Auditing
- Environmental Management Systems (EMS)
- Waste Management
- Environmental Project Identification, Design and Management
- Air Quality Management
- Oil Spill and marine discharge modelling
- Strategic Environmental Assessment
- Oil Spill Response

Much of our training is delivered in connection with our consultancy work, particularly where we are working with clients on the development of HSEQ management systems or regulatory compliance.

Our courses attract delegates from a wide range of countries and industry/government sectors. This offers the opportunity for lively discussion, exchange of ideas and participatory learning.

BMT Cordah also delivers accredited training such as the:

iema Approved Internal EMS Auditor Course (UK and Indonesia)

This course is fully approved by the Institute of Environmental Management and Assessment (IEMA). As well as inclusion in our training calendar, it can be delivered to individual clients on an in-house basis.

BMT Cordah is accredited by the Nautical Institute on behalf of both the MCA and DTI to deliver approved training courses at all levels. BMT is an approved trainer for IMO courses
